# Our Wraparound Provision Survey

## You've said, we've done .....

*I love meeting up with my friends and socialising.*

### ***Not aware of what food is offered/available:***

We will publish typical menus for Breakfast Club and Extended Day on our website, which will include some seasonal changes.

### ***Please provide end of term wraparound care:***

We will look at doing this, even if we have a slightly earlier finishing time ie 1700 hours.

### ***Booking cut off times:***

Booking cut off times have now been changed to 8 hours before the session begins.

Breakfast Club: Cut off booking time – 2330 hours the day before  
Extended Day: Cut off booking time – 0700 hours on the day

### ***Wraparound care activities:***

Now that the weather has improved children will be able to go outside more in both Breakfast Club and Extended Day.

We will also be creating a termly activities programme for Extended Day which will be published on our website.

### ***It would be good if the evening meal was more substantial:***

We provide a snack for the children to see them through to their teatime meal at home, it is not intended to replace their main teatime meal.

### ***Special dietary requirements:***

If your child has any special dietary requirements, please liaise with the school office.

### ***Arbor booking system:***

If you are experiencing any problems with Arbor, please contact the school office.
