Dear Parents and Carers,
As we approach the end of a particularly busy term, I would like to take a moment to reflect on the exciting events that have enriched our children's learning experiences. This term has been filled with a multitude of engaging activities, including our Year 2 Book Look, Pirate Day, Number Day, the EYFS Starry Night event, and Year 3 Book Look. We have also celebrated Chinese New Year and welcomed a visit from the Coast Guard. Each of these activities has provided valuable opportunities for our children to engage with their learning in a fun and meaningful way.
Also I am pleased to inform you that we recently hosted governor visits focusing on Special Educational Needs (SEN), behaviour and English. The feedback from these visits was overwhelmingly positive, highlighting the remarkable work being done across the school. Our governors were very impressed with the dedication and enthusiasm shown by both staff and children.
As we look towards the next term, we hope you all enjoy a restful break. It is important for our children to recharge and spend quality time with their families. We look forward to welcoming everyone back to school on Monday, 24th February, ready for more exciting learning opportunities ahead.
Thank you for your continued support.

Warm regards, Zoe Stone #teamchurchill

Governor Monitoring Visit

It was a pleasure to visit The Churchill School today monitoring behaviour and SEND support.

The school provide a calm, nurturing environment to facilitate learning. Adaptive teaching approaches can be observed in every class to ensure all pupil's have the tools to make progress and thrive at any level of need. The pupils never fail to impress me with their focus and enthusiasm for learning!
 Thank you #TeamChurchill
