About The Churchill School

At The Churchill School, we are a team, a family and nothing is more important than the people around you .

Built on an old airfield, Churchill pupils enjoy a wonderful modern building and spacious site. Our classrooms are large and well resourced. We have 2 all weather multi use games areas (MUGA) and a massive field, perfect for playing and sports.

Inside the school there is a well equipped hall, perfect for dance, gymnastics and drama. Children of all ages enjoy our ICT facilities: an ICT Suite where each child has access to their own terminal and a full set of up-to-date tablets.

*We are
passionate
about the
education of
your child.*

Welcome Message

The Churchill School is a fantastic school where both children and adults work together as an incredibly strong team. We are very proud of all our children and our many successes. Visitors to the school often remark on a positive, hardworking atmosphere with a strong sense of team spirit and celebration.

Every child is valued as an individual; we aim to nurture well-rounded, respectful and confident children who will develop skills for life-long learning and health.

We welcome and value our parents' participation in the life of The Churchill School, and are keen to continue to build upon our reputation as a friendly and welcoming school.

At The Churchill School we believe in the power of PLAY; it is the pillar of our curriculum for all age groups!

Mrs Zoe Stone

Headteacher

Vision & Mission

Vision

Our vision at The Churchill School is that every child achieves the expected standard of English and Maths so that they can continue their development at secondary. Research has shown that helping children achieve this standard is the single most effective way of ensuring a brighter future for each pupil.

Mission

To achieve our vision we need a plan! Our mission is to carry out this plan to the best of our ability and maximise the resources we have available.

- Provide a curriculum which matches the needs of our children.
- Instill our core values so that children have the best possible chance of succeeding.
- Give every child the opportunity for meaningful PLAY every day from Year R to Year 6.
- Offer support that enables children to reach their full academic potential.

We believe in
the power of **PLAY!**

Statement & Values

*'Champions in **play**, leaders in life!'*

Play is fundamental to a child's physical and mental fitness and their best opportunity to improve language and communication skills. This, in turn, is their biggest tool for understanding new concepts. In short - play is the all-in-one magic key to successful learning.

Resilience

Resilience is finding effective ways to help **MANAGE DIFFICULT SITUATIONS**. We all respond differently, so there isn't one specific solution. But there are always things we can try to help us respond to, learn and **RECOVER FROM SETBACKS**.

Adaptability is a **WILLINGNESS TO CHANGE** in order to suit different situations and conditions. Adaptability is a necessary quality in a changing world and **ENABLES US TO COPE** with the normal obstacles of life.

Adaptability

Togetherness

Togetherness is **HOW YOU FEEL WHEN YOU ARE SAFE**, loved and surrounded by people who want the best for you. It is team spirit, kindness, tolerance, forgiveness and empathy.

#teamchurchill
